Information

The purpose of this focus group is to get better insight in how people perceive the idea for our app, and if there are key elements to be improved. Your task involves giving feedback. Further details about the exact procedure of the focus group will be provided by the moderators.

The focus group will only take approximately 30 minutes, and, if you wish the progress we are making with the app will be explained in greater detail at the end. If you have any other questions please feel free to ask the moderators before or after the focus group.

Consent

I hereby confirm that I was satisfactorily informed about the research. I was allowed sufficient time to consider whether to give my consent and was also given the opportunity to ask questions. Any questions I asked were answered to my satisfaction. I am aware that participation is entirely voluntary and that I may withdraw my consent at any time without giving a reason.

I hereby consent to participate in the focus group referred to above.
